

LABORATORY SAFETY

DRESS APPROPRIATELY

Wear the appropriate safety equipment at all times, such as protective eyewear, gloves, and a lab coat. Tie back long hair. No open-toe footwear in this area.

NO FOOD OR DRINKS

No eating or drinking in the lab. Never taste any of the lab materials.

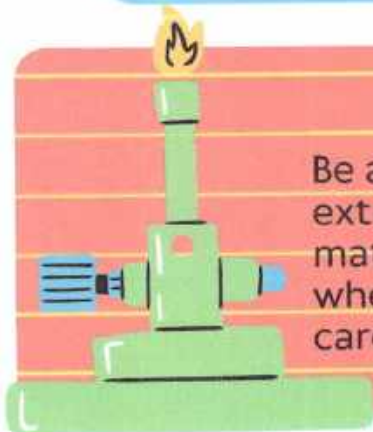

KEEP A CLEAN WORKSPACE

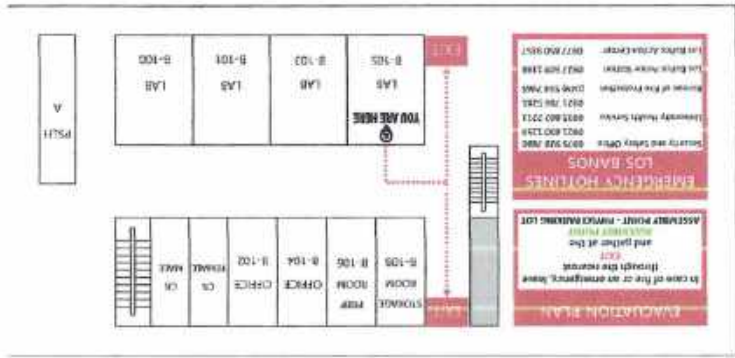

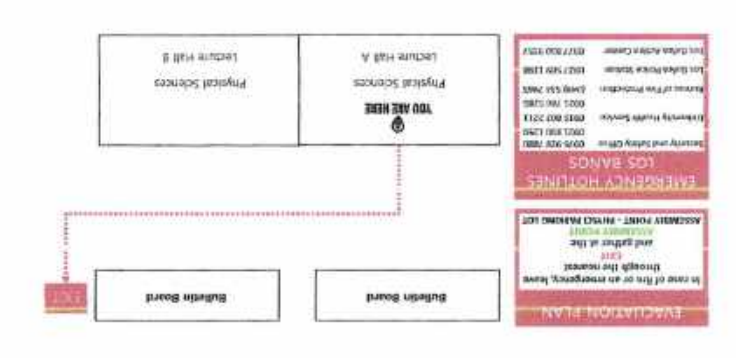

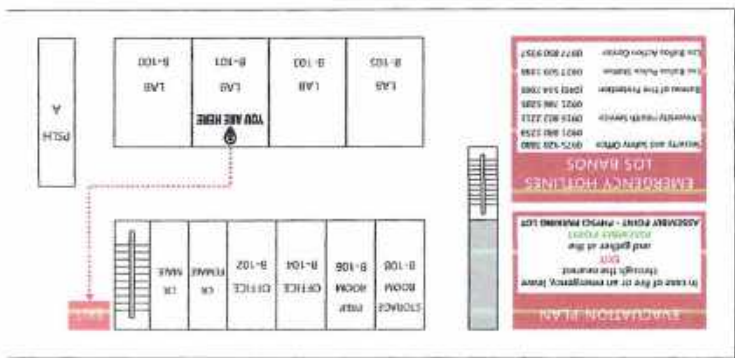

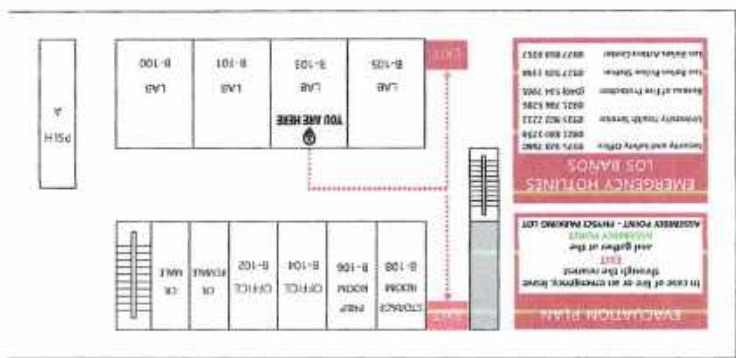

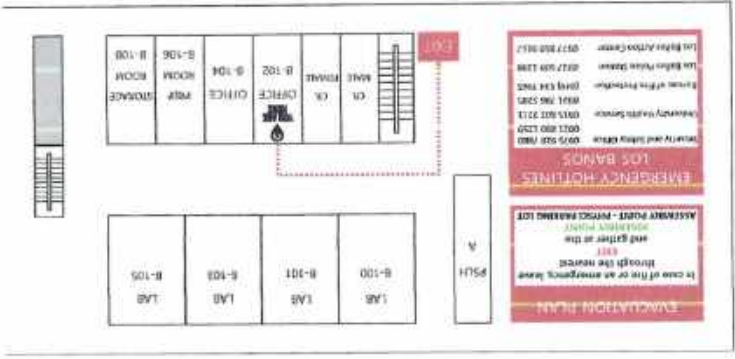

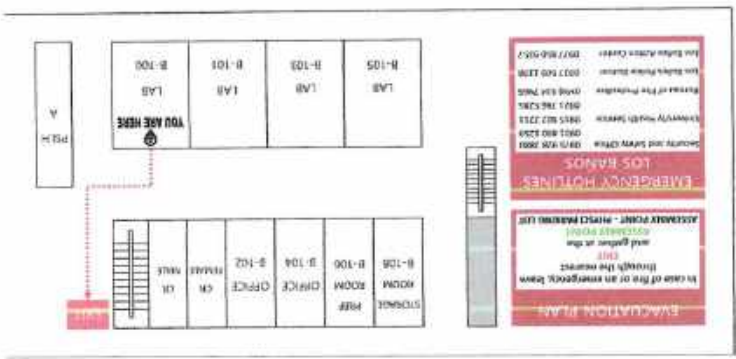

Keep the lab area clean and tidy to avoid any potential accidents. Dispose of all materials properly and in accordance with safety protocol.

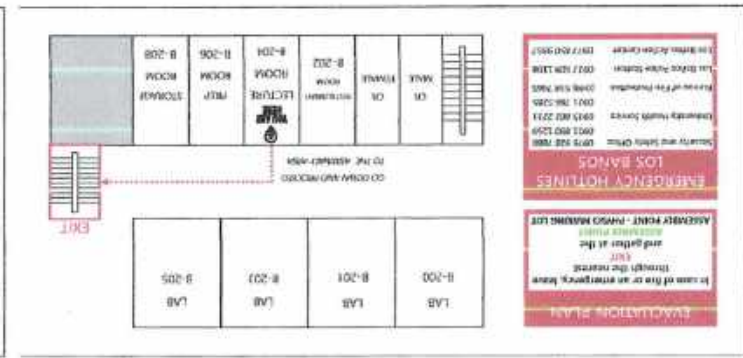

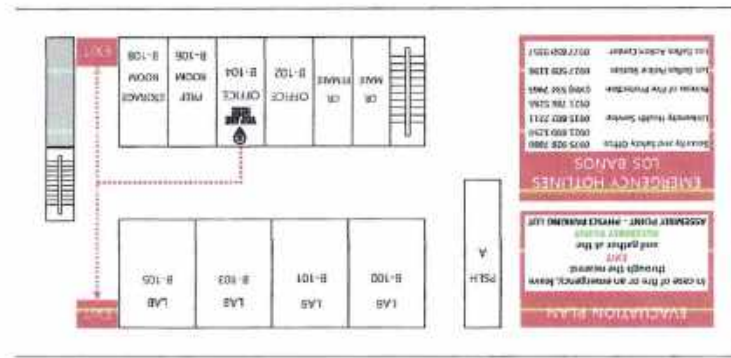

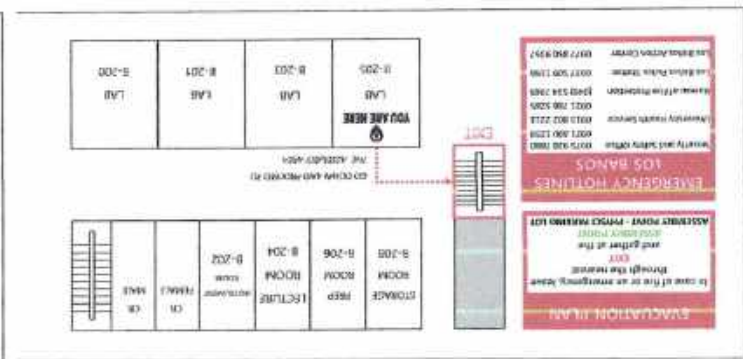

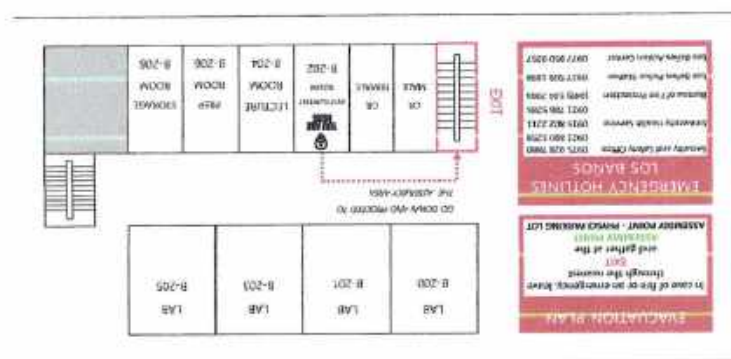

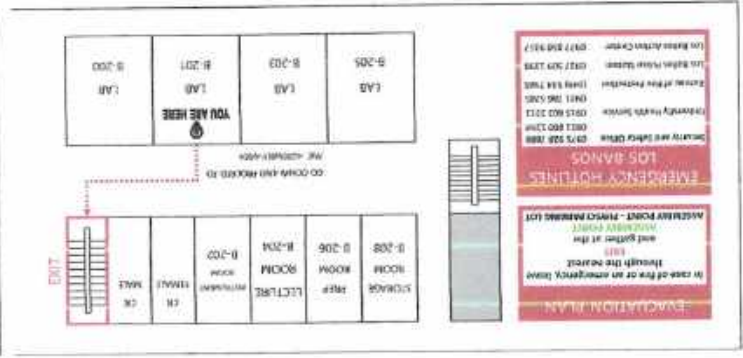

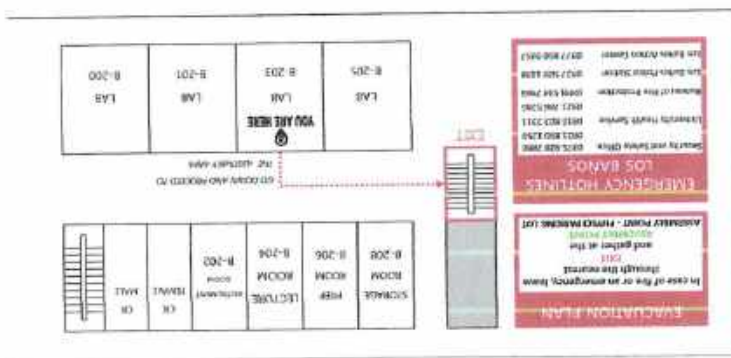

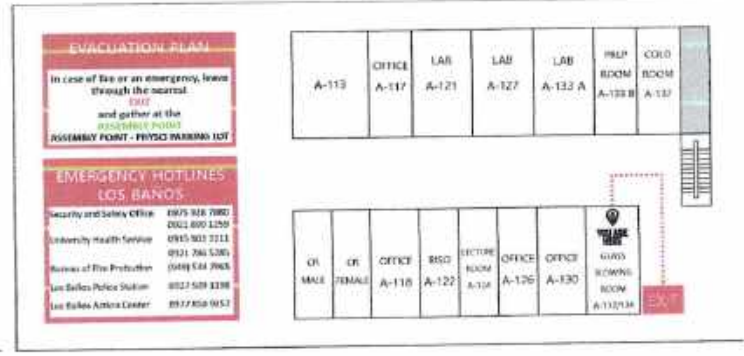

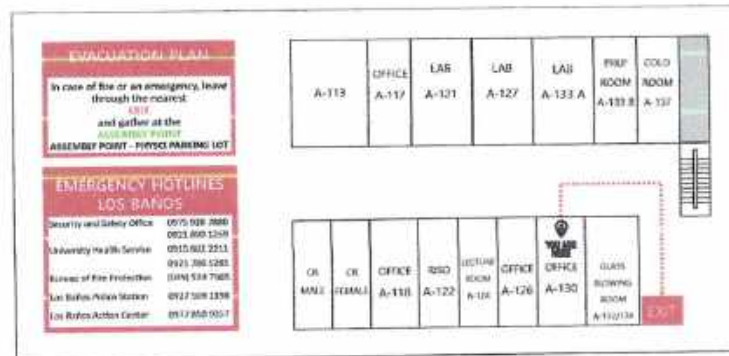

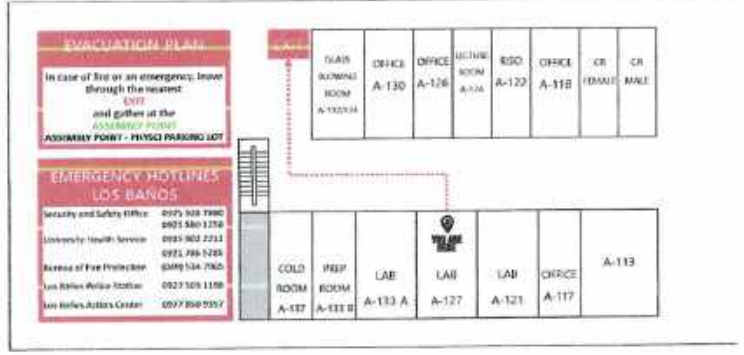

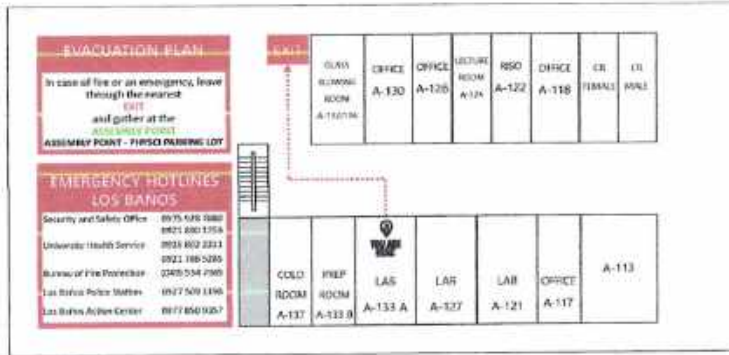

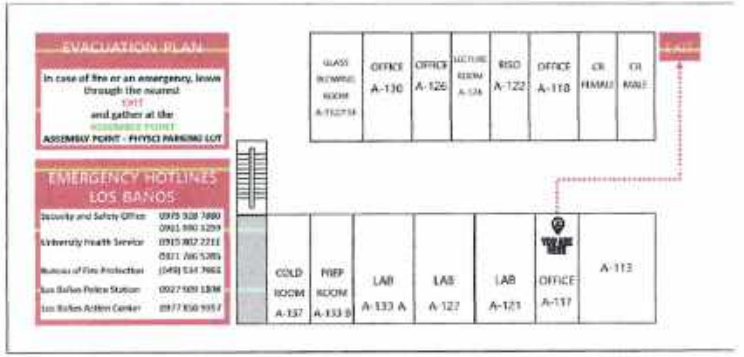

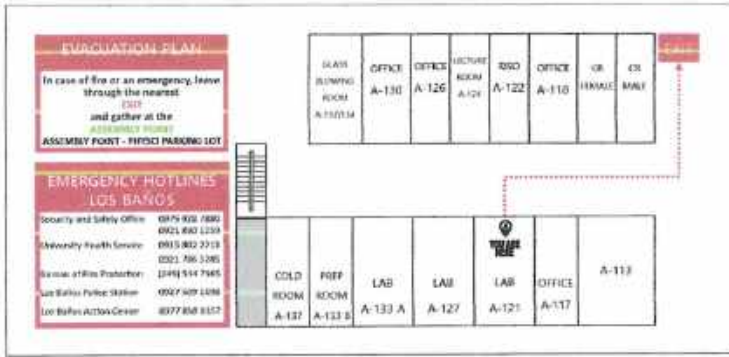

BE ATTENTIVE

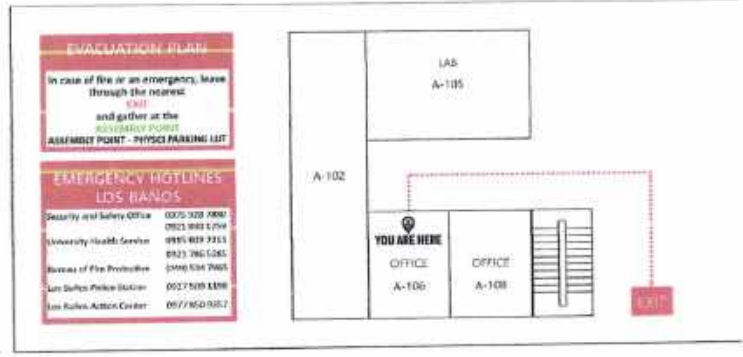

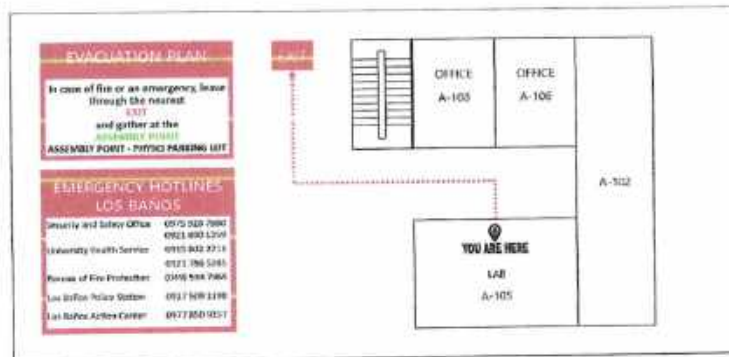

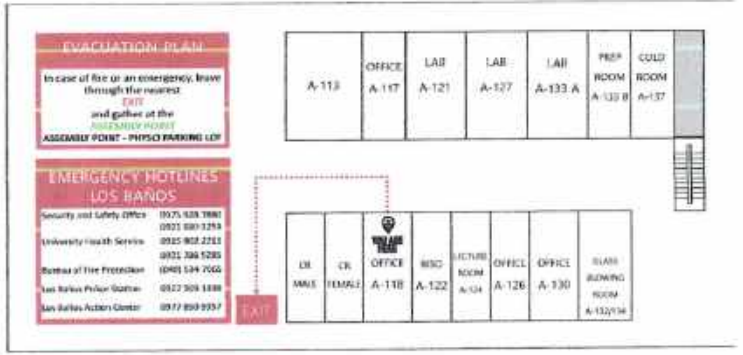

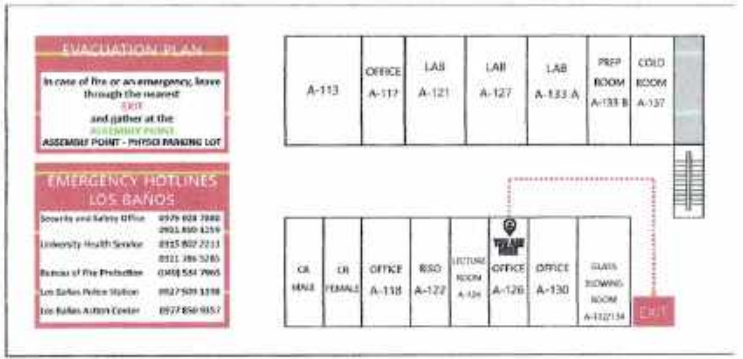

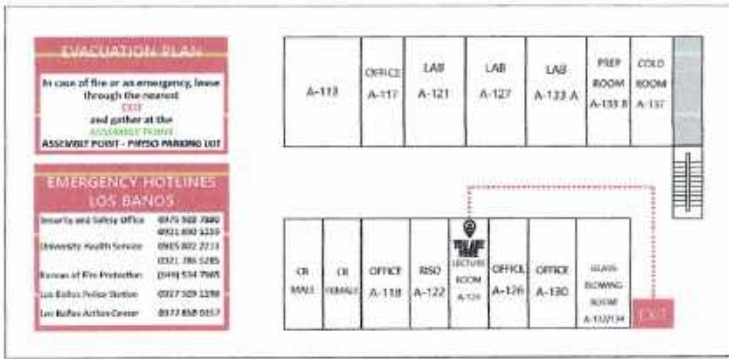

Be aware of your surroundings and take extra caution when handling hazardous materials. Be sure to turn off lab equipment when not in use. Handle glasswares carefully.
